## 6 Scientific Policy Advice and Public Impact

To organize policy activities, I have created the internet platform “Wirtschaftspolitisches Zentrum” St. Gallen - Wien (WPZ) which is a competence center of the Institute of Economics of the University of St. Gallen (FGN-HSG). All policy related activities (policy studies, policy papers, commentaries, presentations and panel discussions, media contributions etc.) are extensively documented on the website [www.wpz-fgn.com](http://www.wpz-fgn.com).

Important policy related positions and honors are:

- Director and founder, Wirtschaftspolitisches Zentrum St. Gallen - Wien, since 2015.
- Director, Institut für Höhere Studien, Wien, June 2012 - December 2014.
- Ranking of most influential economists in Austria: rank 2 in 2014, rank 4 in 2015.
- Member of Advisory Panel on ‘Austria 2020’ of the Austrian Finance Minister Dr. Hans-Jörg Schelling (Mitglied des Weisenrates), 2014/2015.
- Member of the external expert group on ‘Perspectives 2030 Switzerland’ (externe Experte für den Perspektivstab der Bundesverwaltung, ‘Perspektiven 2030’, Trends und Einflussfaktoren, im Rahmen des Berichts zuhanden des Bundesrats), 2013/2014.
